

When and where do I check in?

You must sign in at the Volunteer Tent located near Pottery Barn on Grand Avenue. Please allow time to get through traffic, park your car/be dropped off to get to the Volunteer Tent, to be checked in and report to your designated volunteer area ON TIME. The event is very popular so please allow time to make your way through the crowds. You will be provided with a Teen Volunteer t-shirt when you check in and it should be worn whenever you volunteer.

Where do I park or get dropped off?

There are two parking garages at Southlake Town Center, the east garage by EVO being the closest to the volunteer tent. If you are being dropped off, Grand Avenue near the Apple Store would be a good location.

What should I wear?

Please dress appropriately, for the family event and weather. No short shorts, midriff-baring tops, or muscle shirts. Art in the Square happens whether we have rain or shine, so check the forecast and be prepared. You cannot leave your shift if it rains. However, if the weather is dangerous, the city will notify us and you will be asked to go to a place of safety.

What are the activities in the Kids Korner Tent?

The activities are face painting, along with other arts and crafts. Artistic skills are not required, but a willing and cooperative attitude IS. Adults will be there to guide you and show you how to help.

What are the activities in The Zone?

This kids' area has carnival games, inflatable activities, a rock wall and bungee jump. Teen volunteers will take tickets and supervise activities. The teen volunteers who volunteer for the rock wall and bungee jump will require training at the start of their shift and will work longer shifts because of this. These volunteers will get a break for pizza, provided by Art in the Square. Please do not miss your shift, as the rock wall and bungee cannot be open without enough volunteers. We are counting on you!

What should I bring with me?

Please be prepared for rain or shine. You might want to wear sunscreen and a hat or a jacket if it rains. Bottled water will be provided.

Please bring your community service time card for signature if your organization requires this.

If you have any additional questions please email our Teen Volunteer chair at amyagar@gmail.com Thank you and we appreciate your service!
