## ARTISTIC ACHIEVEMENT

*20th anniversary of Art in the Square is a big success*

**THE SOUTHLAKE WOMEN'S CLUB** is throwing the confetti and popping the corks, with the 20th anniversary of Art in the Square surpassed \$3,000,000 in giving to charities in Northeast Tarrant County. This milestone was reached with 1,300 volunteers, 100 sponsors, and over 240 artists including renowned, emerging, and high school talent. Two stages hosted local and nationally recognized musicians. Many art patrons joined the dedicated members of the Southlake Women's Club in celebrating the 20th anniversary.

The 2019 event drew \$162,000, with which grants for 31 charities can be issued and the Southlake Women's Club Foundation's scholarship fund for Carroll ISD graduating seniors can be supported.

Contributing to the 2019 Art in the Square was the abundance of artistic talent. Special recognition was given to professional and high school artists for their exceptional artwork.
